KIDTIVITY LAB

My water experiment

Predict. Try it together. Draw what you noticed.

Name: _____ Date: _____

EXPERIMENT 1

We used: _____

I think: _____

What happened: _____

Draw it here

EXPERIMENT 2

We used: _____

I think: _____

What happened: _____

Draw it here

Adult stays close and watches constantly. Use shallow water; empty it after play. Keep small objects away from children who mouth them. No tasting or hot water.
